

COLUMBIA METROPOLITAN CONVENTION CENTER

Columbia, SC

This new convention center is situated in The Vista, an historic area of downtown Columbia. The new facility was designed to complement the existing Vista area design vernacular with the use of a brick façade and large expanses of glass while creating a modern, high-tech image. It is equipped with the latest A/V and wireless technology. The Greater Columbia Convention Center is a TIF (Tax Increment Financing) project, being funded by Richland and Lexington Counties, and the City of Columbia.

The center will boast the area's largest meeting space, plus a 25,000 square-foot exhibit hall that is expandable to 75,000 square feet, large sub dividable banquet room and breakout meeting rooms. Other key facilities include pre-function space, food service, support space and administrative space.

Total square footage is approximately 136,130.
